- Not applicable (guest is a full-time FDE trainee or university student)

## **ASQDE By-Laws Governing Invited Guests**

V.1.2 Admission of non-members to the Scientific Sessions accompanying an Annual General Meeting shall be by invitation of the Secretary only, extended at the request of a Voting Member [Regular or Life] or a Corresponding Member of the Society. Such invitations shall be subject to the approval of the Executive Committee.

V.1.3 Effective January 1, 1995, previously invited non-members who are practicing document examiners or Specialists will be eligible to receive a guest invitation to an upcoming AGM provided he/she has been duly notified in writing of the participation requirements of these By-laws and has a) made a technical presentation, poster, or other contribution deemed satisfactory by the Executive Committee, to at least one of the last three ASQDE meetings he or she attended as an invited guest, OR b) submitted an abstract for a poster or presentation (and subsequent paper, as appropriate) by the designated deadlines as a condition of receiving an invitation to the fourth meeting when no prior technical contribution has been made.
